Subject; **"APPLICATION FOR FEE CONCESSION"**

Respected Sir,

Stated that I am regular student of ICUP and completed my studies in current year at Department of Computer Science, ICUP. Priorly I was authorized by your good self to submit my semester fee in monthly installments which I had duly deposited for first 5 semesters.

Due to some domestic reasons I was unable to pay fee for the rest of semesters in time. However last month I paid off full fee for 02 more semesters. Now only one Semester fee is pending on my behalf.

I am unable to pay the pending fee due to lack of financial resources. I request you to kindly grant me complete fee concession for the remaining one semester. So that I will be able take my credentials from the university in time and continue with my professional carrier.

Thanking you in anticipation.

Yours Obediently,

Muhammad Safi Ullah
